(Number of participants)

According to the attendance list at the IAAC Secretary.

Training and organization improvements:

(Indicate improvements observed as instructor(s))

If there are more comments, please add it below:

(Indicate if there is another comment about the training overall)

It was observed a good discussion regarding the option A and B, which is related the peer evaluation process. The issue was the needed competence on ISO 9001 in the composition of the peer evaluation team, in case of an AB evaluated having chosen option B. Once it is new it was a consensus to deal this subject in the Mutilateral recognition arrangement committee (MLAC), when appropriate.

Sincerely,

Andrea Melo

Instructor
